

Accidents Due to Maintenance

Learn about Maintenance practices on your experimental aircraft how to safely return the aircraft to service after maintenance. This will be a special emphasis on Light Sport and Experimental/Amateur-Built aircraft. Plan to discuss maintenance you accomplish on your Home Built aircraft. Learn the truth about "Operating Limitations". Bring a copy of your Operating Limitations and we will discuss any issues you may have with your Operating Limitations. There will be an open discussion on all maintenance issues with Amateur-Built aircraft. So, have all your questions ready! Don't miss this exclusive briefing. Click on the link below and register TODAY.

Directions: The meeting will be upstairs in the terminal building.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
